

SAINT CALENDAR OF YAH-ABE – Year 2020 - 2021
(acc. To the Most-High's Great Prophets : MOSES, ENOK, DANIEL, JOHN, etc.)

Sunset

Notice:

Certain words of this document are in hebrew:

- **YAH** will be used to say « **The LORD** » (its english translation),
- **ABE** (or **ABA**, **ABBA**) means « Father » in hebreux.
- **YAH-ABE** or **YAHBE** (Lord Father) instead of « God ».

Return to the Commandments:

This return, started a few years ago, had been prophesied:

Let The Father be glorified for the grace of living these prophetic times.

This is a very important matter for the life and the Salvation of Believers, to **follow MESSIAH** and not men.

Few info is given in this calendar as for the Saint Scriptures references.

Further info will be found at the website :

- www.KingdomOfYah.net, for the english website;

This Calendar is based on the Prophets' Books;
 Who made important revelations on behalf of The Father Al-Mighty,
 On **the functioning of its calendar, in harmony with creation.**

It allows you to **reconnect with what is happening in heaven**;
 With the **Saint Feasts**, the **SABAt** on SATURDAYs.
 For the holy things given on earth are like what takes place in heaven,
 At the glorious tabernacle of the Father.

The YAH's Feasts are moments of feast (joy), as the name says.

The One who celebrates these holy events will rejoice for many reasons:

- Honor The Al-Mighty Father,
- Have Saint & blessed times, with the family when possible.

Some info on this Calendar. It is:

- **Solar** (based on the **Sun**) ;
- **Simple, Stable** and very **Precise** since millenniums.
- **Perfect**, for the works of The AlMighty are perfects,
They obey faithfully to the laws He gave them!

Humans are less obedient, but The Father will give The Faithfuls « a flesh heart » to follow His Laws. Soon...

YEAR

- **364 days :**
 - ✓ **360 days**
 - ✓ **+ 4 days** to add (the day before) at every new season;
- **1st day of the YEAR:**
 - ✓ The day after **Spring QUINOXE** (« vernal ») around 17 march :
Duration of the DAY = NIGHT (12 hours).
 - ✓ **Always on WEDNESDAY.**

MONTH

- **12 Months of 30 days;**
- With 4 months BEFORE New Saisons having 31 days.

WEEK

- **7 Days** per week ;
- **7th Day** : day SAINT, of YAH-ABE= **SABAt** ; Always on **SATURDAY**.
- **52 Weeks** in the year.

DAY

- One **DAY** includes : The **DAYTIME** and the **NIGHT** ;
- **The day begins and ends at Sunset** :

	Beginning	End	Luminary
DAYTIME	Sunrise	Sunset	Sun
NIGHT	Coucher du Sun	Sunrise	Moon

These notions help to better understand many key texts of The Saint Scriptures:

- ✓ Story of the **Resurrection of The MESSIAH on the SABAt**, etc.),
- ✓ How to celebrate the **SABAt** on *saturday*,
- ✓ And others holy things.

SEASONS

- **4 Seasons** :
 - ✓ **Spring** (1st month), **Summer** (4th month), **Autumn** (7^e month), **Winter** (10^e month).
 - ✓ Begins **Always on WEDNESDAY**.

FEASTS

- **7 feasts** : all described in the book of **Leviticus 23**.
Feasts begin at **Sunset**
(End of the previous day = Beginning of the celebration day).
- A day of feast is **Never on SATURDAY**,
So that **The SABAt is always honored**, as ABBA YAH demanded:
(Leviticus 23 : 38).
- This Calendar only offers **feasts that have fixed dates**,

Those that we can still celebrate in today (Law to the Descendants) :

- ✓ In holy land (historically, and if possible nowadays) ;
- ✓ In dispersion or in Exile:
 - ✓ If possible: **Easter**, **SABA**t on saturday, etc.;
 - ✓ Otherwise: **in Remembrance (meditations, readings, etc.)** of the **everlasting feasts** for **The People of YAH** ;
Together with **other peoples** that follow The commandments.

- **Certain feasts had been accomplished by the MassiYAH,**
And are no longer possible. They are not in the calendar :

- ✓ Feasts of Thanksgiving (on the harvest) :
Exemple : the « **Firsfruits** (first fruits) », or Feast of Pentecost.
That why The MassiYAH said after his resurrection :
« Don't touch Me, For I have not yet ascended to My Father ».
- ✓ **Offering rituals: The Lamb** of Pessah (Easter), etc.

- **The Tithing is no longer possible** neither;

For it was **a Law**:

- On agricultural production and in the Holy Land;
- For the needs of the people of YAH.

However, a true Believer can contribute according to his possibilities beyond tithing (« He who sows little will reap little »):

- For the assemblies and affairs of the Heavenly Father;
- For the needs of the community.

THE MASSIYAH DEMANDS TO KEEP THE LAWS:

BE CAREFUL!

Acc. to The **New Testament** which is put forward to deceive Believer

(expressly or by ignorance) :

- The **SIN** is the **transgression** of The Father's Laws acc. To **1 JOHN 3 : 4** ;
- Lord CHRIST said He did NOT come to abolish The Laws: **Matthew 5 : 17-20**:

- ✓ Neither before the cross
5:17: "I did not come to abolish, but to **accomplish**",
 That is to say **to do** (to **apply**, to put into **practice**) what the **Law**
 and the **Prophets** had said (about Him as The Messiah).
 - ✓ Nor after The Cross
 - ✓ **5:18**: "**NOTHING** will disappear from the Law until heaven and
 earth pass away" (or be renewed).
- The Religion (since around 4th century) has seduced and deceived the Believers with 4 means:
 - 1. By opposing MOSES to MESSIAH;
 - 2. By raising the MESSIAH to the rank of the Father (made flesh);
 - 3. By, thus, teaching the "**doctrine of Christ**" without the Commandments of the Father.
 - 4. By falsely teaching on the letters of the apostle PAUL,
 Israelite attached to The the Father's Laws and Faithful to MESSIAH.

As nature does not like a vacuum, the Believers thus had all means to follow the laws and **feasts of the world** or of the nations.

Definition of **sin (fault)** acc. to the NEW TESTAMENT

« Whoever commits a **sin** transgresses **the Law**,

And the **sin** is the transgression of the Law (**lawlessness**) ».

1 JOHN 3 : 4

Definition of **The Grace**

"**The year or the Time of Grace** » is:

- ✓ Time since the feast of Pentecost which followed the death and notably the resurrection of MESSIAH,
 As **Salvation** of the Believers comes from **faith in MESSIAH** the Savior,
 And no longer strictly from obedience to the Commandments;
- ✓ But Grace must not lead the Believer to live without The Law of the Father, worse to live according to the laws (feasts, etc.) of the world.
- ✓ Finally, not in any Kingdom "**Pardon**" means for the condemned:
 "You can Transgress the law (Now that you have been forgiven) ".

May this Calendar which is brought to you with the grace of YAH (Lord):

- ✓ **Help you get closer to the will of the Almighty,**
- ✓ **And to come out of the traditions of the world,
Which lead away from the Father.**

If not, ask yourself why these lies and deception were put into place.

Think of your salvation if you are baptized (adult), follow The MESSIAH.

If you are not yet baptized, consider doing it, like MESSIAH.

Enjoy reading the Saint Calendar!

SAINT SCRIPTURES

ABOUT THE CALENDAR OF YAH-ABE

The **Saint Prophets** transmitted a calendar of 360 days,
With 4 additional days between the 4 seasons; Total = **364 days**.

- Some Books which speak of the Calendar are in the classic Bibles: GENESIS, DANIEL, REVELATIONS (Apocalypse);
- Other books of the Prophets had been removed from the Bibles of major religions.
They are called "Apocryphal Books" (hidden):
 - ✓ ENOK. He is mentioned in the Bible as Prophet: JUDE 14; HEBREWS 11: 5.
 - ✓ JUBILES (tells the stories revealed to MASA (MOSES) from GENESIS to EXODUS 12).

GENESIS 1 : 14-19 :

Creation of Lights (**Luminaries**):

The **Sun** (lights up the DAY) and the **Moon** (lights the NIGHT);

And their functions to be **SIGNS** (of events),

And serve to indicate the **Time, Periods, HOLIDAYS**.

YEAR

- **364 days :**
 - ✓ **360 days**
 - ✓ **+ 4 days** to add (the day before) to each New Season;
- **1st day de l'ANNÉE :**
 - **Day after** the **Spring EQUINOXE** (called « vernal equinoxe »)
Which is around the **17 march**
When the **DAYtime = NIGHT (12 hours)**.

- This 1st day is **Always a WEDNESDAY**. The **18 march** in **2020**.

ENOK 72 : 32 :

ENOK 81 : 1-7

Verse 5 : 7.

As for **the walk of the sun in the sky**, it enters and it leaves by the various doors during **30 days**,

With the heads of the thousand kinds of stars, with the four which are added to them and which relate to the **additional 4 days**.

Verse 7 : **The year is thus made up of 364 days.**

JUBILES 6 : 28-33

Verse 28 : The year is made up of 364 days.**364 days.**

This **prophetic** book indicated that the people of YAH-ABE would lose the calendar in future generations.

And the Israelite people would thus follow the calendars of the nations, and forget the commandments (**The SABAt** of **SATURDAY**, the feasts like the **Passover**, etc.) and lose the good order of days.

This is exactly what happened. The people (the majority) in dispersion since, and the believers:

- Worship on **SUNDAY**, modified day after Messiah, in AD 364 (4th century) at the Council of Laodicea.
- No longer have the normal order (progression) of years from the creation,
- Have abandoned the **feasts of the Father**,
Because, acc. to some teachings, these feasts are useless as they would have been accomplished on the cross.

Un mot sur **la Moon**, as some Israélites used a calendar based on Sun and Moon called « luni-solar ».

THE MOON – MOON CALENDAR

Some (religious) calendars are based on the Moon.

The Moon can also serve as a star that serves as a calendar according to the Saint Scriptures.

It is clearly specified that days must be added regularly to **synchronize** this calendar with the order of time:

Moon Months vary (29 to 30 days) to produce the MOON PHASES.

This is why these calendars are very unstable and vary between communities.

La Moon a comme fonctions :

The Moon has the following functions:

- **Light up** (and rule) the Night;
- Indicate (show) in the sky the **evolution of MONTH;**

MOON PHASES :

(New Moon, 1st Crescent, 1st Quarter, Growing Gibbeuse, Full Moon).

- The **New Moon** serves as the start of SEASONS in the Lunar calendar.

With the **Full Moon**, these are 2 moments of testimony for the Father Creator;

for the created stars, which walk perfectly, and obey its laws.

- **The Moon** (like the Sun) serves as a **SIGN** for the Events of the Almighty: **Eclipse** (blood red, for example) during a Feast or a great moment.

To illustrate the link between the stars and celestial events:**The advent of the MESSIAH.**

Matthew 24 : 29-33 :

24.29 Immediately after the tribulation of those days,
The **Sun** will darken, the **Moon** will no longer give its light
(because it comes from the sun).

24.30 Then the sign of the Son of man will appear in heaven,
All the tribes of the earth will mourn, and **they will see the Son of Man**
coming on the clouds of heaven with power and great glory. »

24.31 He will send his Angels with **a sounding trumpet,**
And **they will gather His elect (Chosen Ones)** from the four winds,
From one end of the heavens to the other.

24.32 Now learn this parable from the fig tree.
When its branch has already become tender and puts forth leaves,
You know that summer is near.

24.33 So you also, when you see all these things (chapitre 24 : 1-28),
Know that The Son of Man is near, at the doors!

Thus, the Servants of the Kingdom of the Father confirm to you that this time is very near.

The proposed Calendar is a contribution to everything that is taking place, with the help of the Holy Spirit, to come back to the will of the Father.

The two witnesses, **the people of YAH** and the **Faithful Church**

Must prepare the **imminent Return of the MASSIYAH** in the best conditions of **faith, hope** and **obedience.**
