

# SAINT CALENDAR OF THE KINGDOM

## 2021 - 2022

(Acc. To the Most-High's Great Prophets : MOSES, ENOK, DANIEL, JOHN, etc.)

Sunset

Notice:

Certain words of this document are in hebrew:

- **YAH** will be used to say « **The LORD** » (its english translation),
- ABE (or ABA, ABBA) means « Father » in hebrew.
- **YAH-ABE** or **YAHBE** (Lord Father) : Name of The ALMighty (God).

**Back to the Commandments:**

This return, started a few years ago, had been prophesied:

**Let The Father be glorified** for the grace of living these prophetic times.

This is a very important matter for the life and the Salvation of Believers, to **follow The MESSIAH** and not men.

Few info is given in this calendar as for the **Saint Scriptures references**.

Further info will be found at the website :

- [www.KingdomOfYah.net](http://www.KingdomOfYah.net), for the english website;

This Calendar is based on the **Prophets' Books**;

Who made important revelations on behalf of The Father Al-Mighty,

On **the functioning of its calendar, in harmony with creation**.

It allows you to **connect with what is going on in heaven**;

With the **Saint Feasts**, the **SABAt** on **SATURDAYs**.

For the holy things given on earth are like what takes place in heaven,

At the glorious tabernacle of the Father.

**The YAH's Feasts are moments of feast (joy)**, as their name says.

The One who celebrates these holy events will rejoice for many reasons:

- Honor The Al-Mighty Father,
- Have Saint & blessed times, with the family when possible.

**Some info** on this Calendar. It is:

- ✓ **Solar** (based on the **Sun**) ;
- ✓ **Simple, Stable** and very **Precise** since millenniums.
- ✓ **Perfect**, for the works of The Almighty are perfects, They obey faithfully to the laws He gave them!

**Humans are less obedient**, but The Father will give The Faithfuls « a flesh heart » to follow His Laws. Soon...

## YEAR

- **364 days** :
  - ✓ **360 days**
  - ✓ **+ 4 days** to add (the day before) at every new season;
- **1<sup>st</sup> day of the YEAR**:
  - ✓ The day after **Spring EQUINOXE** (« vernal ») around **17** march:
    - Duration of the DAY = NIGHT (12 hours).
    - In 2020, Start : **18<sup>th</sup> march** ; End: 16 march 2021.

## IN 2021

We have to add **7 days** to synchronise the Calendar,  
 → Start: on **24 march** (17 + 7).

Note: **Synchronisation** with the **solar cycle** (**365**,24 days), about every 7 years.

For details, see the functioning manual (**Managers, Elders**).

- ✓ **Always on WEDNESDAY**. (4<sup>th</sup> day).

## MONTH

- **12 Months of 30 days**;
- With 4 months BEFORE New Seasons having 31 days.

## WEEK

- **7** Days per week ;
- **7<sup>th</sup> Day** : day SAINT, of YAH-ABE= **SABAt** ; **Always on SATURDAY.**
- **52 Weeks** in the year.

## DAY

- One **DAY** includes : The **DAYTIME** and the **NIGHT** ;
- **The day begins and ends at Sunset** :

	<b>Beginning</b>	<b>End</b>	<b>Luminary</b>
<b>DAYTIME</b>	Sunrise	Sunset	Sun
<b>NIGHT</b>	Sunset	Sunrise	<b>Moon</b>

These notions help to better understand many key texts of The Saint Scriptures:

- ✓ Story of the **Resurrection** of The **MESSIAH on the SABAt**, etc.),
- ✓ How to celebrate the **SABAt** on saturday, and others holy things.

## SEASONS

- **4 Seasons** :
  - ✓ **Spring** (1<sup>st</sup> month), **Summer** (4<sup>th</sup> month),  
**Autumn** (7<sup>e</sup> month), And **Winter** (10<sup>e</sup> month).
  - ✓ Begins **Always on WEDNESDAY.**

## FEASTS

- **7 feasts** : all described in the book of **Leviticus 23.**  
Feasts begin at **Sunset**  
(End of the previous day = Beginning of the celebration day).
- **Important: A day of feast is Never on SATURDAY,**  
So that **The SABAt is always honored**, as ABBA YAH demanded:  
(Leviticus 23 : 38).

- This Calendar only offers **feasts that have fixed dates**,  
Those that we can still celebrate in today (Law to the Descendants) :
  - ✓ In holy land (historically, and if possible nowadays) ;
  - ✓ In dispersion or in Exile:
    - ✓ If possible: **Easter**, **SABAt** on saturday, etc.;
    - ✓ Otherwise: **in Remembrance (meditations, readings, etc.)** of the **everlasting feasts** for **The People of YAH** ;  
Together with **other peoples** that follow The commandments.
  
- **Certain feasts had been accomplished by the MassiYAH**,  
And are no longer possible. They are not in the calendar :
  - ✓ Feasts of Thanksgiving (on the harvest) :
  - ✓ **Offering rituals: The Lamb** of Pessah (Easter), etc.
  
- **The Tithing is no longer possible** neither;  
For it was **a Law**:
  - On agricultural production and in the Holy Land;
  - For the needs of the people of YAH.

However, a true Believer can contribute according to his possibilities beyond tithing (« He who sows little will reap little »):

- For the assemblies and affairs of the Heavenly Father;
- For the needs of the community.

**THE MASSIYAH DEMANDS TO KEEP THE LAWS:  
BE CAREFUL!**

Acc. to The **New Testament** which is put forward to deceive Believer  
(expressly or by ignorance) :

- The **SIN** is the **transgression** of The Father's Laws acc. To **1 JOHN 3 : 4**;
- Lord CHRIST said He did NOT come to abolish The Laws: **Matthew 5 : 17-20**:
  - ✓ Neither before the cross  
**Mt 5 : 17** : "I did not come to abolish, but to **accomplish**".  
That is to say **to do** (to **apply**, to put into **practice**) what the **Law**  
and the **Prophets** had said (about Him as The Messiah).
  - ✓ Nor after The Cross

**Mt 5 :18** : "**NOTHING** will disappear from the Law  
Until heaven and earth pass away" (or be renewed).

- The Religion (since around 4th century) has seduced and deceived the Believers with 4 means:
  - 1. By opposing MOSES to MESSIAH;
  - 2. By raising the MESSIAH to the rank of the Father (made flesh);
  - 3. Thus, by teaching the "**doctrine of Christ**" without the Commandments of the Father.
  - 4. By falsely teaching on the letters of the apostle PAUL, Israelite attached to The the Father's Laws and Faithful to MESSIAH.

Believers then follow the laws and **feasts of the world** or nations.

#### **Sin (iniquity) acc. to the NEW TESTAMENT**

« Whoever commits a **sin** transgresses **the Law**,  
And the **sin** is the **transgression of the Law (lawlessness)** ».  
1 JOHN 3 : 4

#### **The Grace**

"**The year** or **the Time of Grace** » is:

- ✓ Time since the feast of Pentecost which followed the death and notably the resurrection of MESSIAH,  
As **Salvation** of the Believers comes from **faith in MESSIAH** the Savior,  
And no longer strictly from obedience to the Commandments;
- ✓ But Grace must not lead the Believer to live without The Law of the Father, worse to live according to the laws (feasts, etc.) of the world.
- ✓ Finally, not in any Kingdom "**Pardon**" means for the condemned:  
"You can Transgress the law (Now that you have been forgiven) ".

May this Calendar which is brought to you with the grace of YAH (Lord):

- ✓ Help you get closer to the will of the Almighty,
- ✓ And to come out of the traditions of the world,  
Which lead away from the Father.

**Think of your salvation if you are baptized (adult), follow The MESSIAH.**

**If you are not yet baptized, consider doing it, like MESSIAH.**

**Enjoy reading the Saint Calendar!**

## SAINT SCRITURES

### ABOUT THE CALENDAR OF YAH-ABE

**The Saint Prophets** transmitted a calendar of 360 days,

With 4 additional days between the 4 seasons; Total = **364 days**.

- Some Books which mention the Calendar are in the classic Bibles: GENESIS, DANIEL, REVELATIONS;
- Other Prophets' books had been removed from the Bibles of major religions.

They are called "**Apocryphal Books**" (hidden):

- ✓ **ENOK**. He is mentioned in the Bible as Prophet:  
JUDE 14; HEBREWS 11: 5.
- ✓ **JUBILEE** (tells the stories revealed to MASA (MOSES)  
From GENESIS to EXODUS 12)

#### **GENESIS 1 : 14-19** :

##### Creation of Lights:

The **Sun** (lights up the DAY) and the **Moon** (lights up the NIGHT);

And their functions to be **SIGNS** (of events),

And serve to indicate **the Time, Periods**, FEASTS.

## YEAR

- **364 days** :
  - ✓ **360 days**
  - ✓ **+ 4 days** to add (the day before) to each New Season ;
- **1<sup>st</sup> Day of the YEAR:**
  - **The Day after** the **SPRING EQUINOXE** (« vernal »)
  - **Around** the **17<sup>th</sup> march** : DAY duration = NIGHT (**12 hours**).
  - This 1<sup>st</sup> Day is **ALWAYS WEDNESDAY**.

**ENOK 81 : 1-7**

Verse 5 : 7 :

As for the march of the sun in the sky, it enters and it leaves by the various doors during **30 days**,

With the heads of the thousand kinds of stars, with the four added to them which relate to the 4 additional days.

Verse 7 : **The year is thus made up of 364 days.**

**JUBILEES 6 : 28-33**

Verse 28 : The year is **made up of 364 days.**

This **prophetic book** indicated that the people of YAH-ABE would lose the calendar in future generations.

And the Israelite people would thus follow the calendars of the nations, and **forget the commandments** (The **SABAT** of **SATURDAY**, the **feasts** like the **Passover**, etc.) and lose the **correct order of the days**.

**That is exactly what happened.**

The people (the majority) in dispersion since, and the believers:

- Have the **cult** on **SUNDAY**, Day modified after The MassiYAH, At the year **364 AD** (4<sup>th</sup> century) at Laodicea concil.
- No longer have the normal order (progression) of years since creation
- Have abandoned the **feasts of the Father** (according to certain teachings, these feasts are useless because they are accomplished on the cross), and instead follow other feasts...

**DANIEL 7 : 25**

Timeframe : **1 Time, Times, Half aTime;**

Then : **1 year** + 2 years+ 6 months (3 years and 6 months) ;

Then : **360 days** + 2x360 days + 360 / 2

(without the 4 days added on new seasons) ;

Total : **1260 days** (3 years and 6 months).

**REVELATIONS 12 : 14**

Time indicated: **1 Time, Time, Half of a Time:**

As in DANIEL 7 : 25 → **1260 days** (3 years and 6 months).

**REVELATIONS 12 : 6**

Time indicated of **1260 days** (3 years and 6 months).

A word on **the Moon**, because we can think that the Israelites used a calendar based on the sun and the moon called "**lunisolar**".

## THE MOON – LUNAR CALENDAR

Some (religious) calendars are based on the Moon.

The Moon can also serve as a star which serves as a calendar according to the Holy Scriptures.

It's needed to regularly add days to synchronise this calendar with the timeline:

Its months vary (29 to 30 days) to produce the **PHASES OF THE MOON**.

This is why Moon-based calendars vary from community to community.

**The functions of the Moon are:**

- **Light up (and rule) the night;**
- **Indicate (show) in the sky the evolution of the MONTH:**  
**PHASES OF THE MOON**  
 (New Moon, 1st Crescent, 1st Quarter, Full Moon).
- **The New Moon**: start of SEASONS in the lunar calendar.  
 With **Full Moon**, they are 2 **moments of testimony** for The Father : for the **created stars**,  
 which walk perfectly and faithfully obey its laws.
- **The Moon** (like the **SUN**) **serves a SIGN** for **Almighty's Events**:  
 Eclipse (blood Moon, for example) during a Feast or a great time.

To illustrate **The link between the stars and celestial events:**

**The advent of MESSIAH.**

**Matthew 24 : 29-33****The Imminent advent of The MassiYAH**

« 24.29 (...) after the tribulation of those days, **the Sun will be darkened,**  
And **the Moon will not give its light** (because it comes from the sun) ; ... ,

24.30 Then the **SIGN of the Son of man** shall appear in the sky (heaven),  
All the tribes of the earth will mourn, and they will see the Son of Man  
Coming on the clouds of heavens with **power** and **great glory**.

24.31 And he will send his Angels with **a great sound of a trumpet,**  
And they will gather together **his elect** (choses ones) from the four winds,  
From one end of the heavens to the other.

24.32 Now learn this parab from the **fig tree**.  
When its branch has already become tender and puts forth leaves,  
You know that summer is near.

24.33 So you also, when you see **all these things** (chapter 24: 1-28),

**Know that the Son of man is near, at the doors!** ».

\* \* \*

Thus, **the Servants of the Kingdom** of the Father confirm to you that  
this time is very near.

The Calendar of kingdom is a contribution to all that is put in place,  
with the help of the Saint Spirit, to comply with the will of the Father.

**The two witnesses**, **the people of YAH** and the **faithful Church**,  
**Must prepare for the imminent Return of MESSIAH** in the best  
conditions of **faith**, **hope** and **obedience**.
